

**KMB brackets**

**Novasub has a standard assortment of camera and light brackets.**

**KMB brackets (SSBLUX3, SSBLUX3V2, SSBLUX6, SSBLUX6V2, SSBNSBCB, SSBNSBCBV2)**

Small Stainless fixing brackets for the Kirby Morgan Helmets and Bandmask. The version 2 brackets are for the Kirby Morgan 37SS helmets. These makes integration of the Novasub camera and LED light on the helmets very easy and very compact.

**Clamp brackets (SSBNSBCB-A, SSBNSBCLSS-A, SSBLUX6R, SSBLUX6M)**

The clamp brackets are easy to use brackets, especially for welding on objects.

**Clamp brackets**

**Hand bracket (SSBHGG)**

Hand Held Grip, easy to handle stainless steel bracket with plastic hand grip.
